Learn to Sing within a group environment

The benefit of this course is that you learn within a group, which makes it easier and less daunting.

New to singing?

There are many men, maybe like you, who would love to sing. Most of them never get around to it, don't have the opportunity or maybe are too self-conscious to give it a go.

The simple fact is that just about everyone can sing. This free Learn to Sing course will help you to discover your voice and gain confidence.

Also, there's no need to worry about reading music, the simple teaching methods will help you to learn a song quickly.

Have you sung before?

Maybe it's a few years since you have sung, if so, this course is the perfect way to ease your vocal chords back into action.

If you are a regular singer you may find the course useful to learn different voice parts, in a relaxed and friendly environment.

Would you like to harmonise?

You will be introduced to 4 part harmony, a form of singing that is exciting, enjoyable and stimulating.
